There does not seem to be any need to reconsider the action taken in Oct 17. In another file a suggestion has been made that selected members of the R.A. – more who have been members for 15 to 20 years – should might be decided the privilege of 'Khasa kara' if H.E. should approve of such a course.

2. The representation was considered in Council and it was resolved that members of the Representative Assembly of 20 years' standing might be exempted from the operation of the Arms Act for life. Ordinarily the members of the Representative Assembly have exemption from that Act during the tenure of membership. The privilege now proposed will be enjoyed by six members of the Assembly who have served on that body for 20 years or more.

Revenue.

3. The resolution of the Council may be graciously approved.

4. Other suitable forms of recognising long service in the Assembly are, the grant of a higher place in the Palace Durbars than the members of the Representative Assembly are usually given on the precedence list, and the honor of a "Khasa Hara" to them. The question of recognition in this form is respectfully recommended for the gracious consideration of His Highness.
